SAMPLE CALENDAR.

ARTS & COMMUNITY EVENTS.

Bring your talent to the Bynx stage! We have the space to accomidate a variety of events, but are especially focused on music and live performance.

If you simply want to attend an event, too, there are plenty of regular music events happening each month. For example, our newest series, **Bynx After Dark**, is a great way to watch local talent in an intimate theatre-style setting. You can also stop by during one of the **Songwriter Showcases with Hannah Stokes** to see songwriting talent from Central Florida and beyond.

If you're looking for something other than live music, you can also paint vinyl with J.J. The Artist at his monthly **Sip & Paint** event. Or if you're trying to meet new likeminded people, check out one of our monthly **Speed Friending** linkups.

There's all of these and more, which you can always find on our monthly calendar!

DON'T JUST TAKE IT FROM US...

"We held our wedding reception party at Bynx and it was without a doubt the best day of our lives! The venue offered more than enough space for our 50+ guests to dance, mingle, drink, dine and dig in the record crates. The stage and sound were perfect for our live band and the staff made it easy for them to set-up and run soundcheck. Food and drink options were ample but even better, the entire Bynx team went above and beyond to make sure our creative vision was brought to life for such a special occasion."

"We absolutely recommend Bynx Orlando for any type of celebration or private event."

- The Amicos

Their commitment to excellence and remarkable service truly set them apart. We highly recommend Bynx for any special occasion and look forward to celebrating future events at this wonderful venue!"

"Great experience! The owner was super cheerful and helpful so it was a very pleasant experience. The ability to get some coffee and snacks was also great for the workshop attendees."

- Francisco H.

"This was an AMAZING experience. Philly was the best host. He made sure the caterers had what they needed, he checked in regularly to ensure all was well with the guests, and he provided a perfect space for our needs. The venue was a perfect size and style for our event, and everyone loved it. I wish I could book a party here every week! Thanks for making our day so great!"
